Locomotive Community,

What are your hopes and dreams for your child this school year? In our newfound reality the question seems more weighted than ever. As a parent myself, I would have had a different answer to that question last summer than I do today.

To our new and returning families, welcome! We can't wait to see you in person.

We know this year is a start unlike any other and I imagine everyone may be feeling a little anxious, nervous, or overwhelmed. Whether you are a parent, a student, family member or friend, please extend yourself a little grace. This year may not be easy, but we will get through it following our guiding principles: We Lead, We innovate, We Empower, We Care.

I want to introduce our new team members who are ready to work with our learners:

- Mr. Joseph Wong, Kinder
- Ms. Anita Tong, 5th grade
- Ms. Mariela Diaz, 5th grade student teacher
- Ms. Andrea Leon, 2nd grade student teacher

Please see the information below regarding Chromebooks, class schedules, and school supplies:
