

Washington Student Store

A LOCOMOTIVE WORKSHOP

Want to order Washington gear?

Starting Monday 9/12/22-9/30/22 all students, staff and families can bring in up to 3 items for us to screen print our Washington Logo, free of charge!

But I already went back to school shopping!

No problem. Bring in new or gently used, clean:

- Polos,
- T-shirts
- Sweatshirts
- Hoodies, etc.,

in white, navy, light blue or grey to your child's class.
We'll be screening weekly!

- Please label all items with your child's name, grade and teacher

Screen printing our own gear "in-house" is a new endeavor for our school and a skill we'd like to teach our older students eventually. We're pretty sure we'll make mistakes. But we're excited to start graphic art at Washington!
