Aug 25, 2022

Locomotive Community,

Class schedules will be posted tomorrow morning at 8:30AM. Families are welcome to check-in anytime tomorrow from 8:30-4:00 PM. The afternoon meet and greet (3-4PM) is an informal way for you to walk the campus with your child, see where their class will be located and get a feel for the campus by seeing the classrooms, cafeteria, playground and where our learners lead yoga. If you're not able to make it specifically from 3-4PM, it's OK, as this time is more of a way for your family to get comfortable with our school and many of our teachers will be present.

Additionally the [TK/Kinder Meet and Greet and Uniform Swap](#) will be this Saturday morning from 10-11AM. This is an event where you/your child can meet other families as well as our teachers:

TK-Ms. Matolo

Kinder: Mr. Wong, Mr. Smith, Ms. A and Ms. Fabian

Finally, I understand that many of our families are waiting on enrollment for STEAM Academy, our before and after school program. The team is diligently working to accommodate as many of our families who signed up and are calling families today and tomorrow.

I also want to say, we're excited to start a new year, we've partnered with CSUS, Nor Cal School of the Arts for a Spring Musical Production, as well Sacramento Proctor & Gamble who officially adopted our school.

As always, if you have any questions please reach out to me directly at [Gema-Godina@scusd.edu](mailto:Gema-Godina@scusd.edu) or (916) 395-4760.

Dr. Gema Godina-Martinez  
Principal
