

What is Exhibition Night?

As a school community we believe that when students share their learning with an authentic audience they have an opportunity to share their story, reflect on their growth, and engage in real dialogue with others about what they know.

Exhibition Day offers students the opportunity to drive their own learning experiences while demonstrating mastery of their goals to their peers, families and communities. Exhibitions are authentic, connected to a student's interests

and passions, and tied to their personalized learning goals.

What to expect on Exhibition Night?

Students EK-6th present from 5:00-5:45PM

Parents and community members are invited to visit multigrade EK-6th presentations!

Ask our learners questions! Here are a few:

What's the driving question?

What challenges did you face?

What was your experience working on this project?

What did you like about the project?

If you could do one more thing on the project what would you do?

GRADE	Driving Question	Location
TK Matolo	How can we help pollinators protect the earth?	Kinder Garden
Kinder Wong Abimbola Paul	How can we express and understand our feelings?	RM A/B
1st Reyna Maze Katz	How can 1st graders show compassion by helping animals in our community?	Outside RM H
2nd Huynh Hubbard	How does composting help in reducing food waste, and how do decomposers contribute to the process?	Outdoor stage
3rd Peacock McDaniel	How can we create a learning experience that makes science fun for Exhibition Night?	Outside RM J

4th Chernow	How can we build sustainable homes for the homeless population of Sacramento?	Outside RM M
5th Lawson	How can we, 5th grader leaders, foster a stronger sense of community and mutual support among our community vendors, so that we can engage and support our community and small, local vendors?	Outside-Grass
6th Cortez Quinn	How is a single story Dangerous? (In Art? History? A look at counter narratives)	Cafeteria
